

Regulatory Services website for Extension

Division of Regulatory Services home page <https://www.rs.uky.edu/home/>

EXTENSION TOOLBOX

Extension Toolbox is a section designed for extension agents. This is where you can find recommendation calculators and links to the programs used in the soil submission process. Information relating to seed testing services can also be found here.

<https://www.rs.uky.edu/soil/extension.php>

ROCK QUARRY LIME
REPORTS

Lime has its own section where lime reports, the recommendation calculator, and related publications can be found.

https://www.rs.uky.edu/soil/technical_info/

SOIL LABORATORY SERVICES

Our **Lab Services** pages can be accessed from the **Soil** section of the home page or the "Lab Services" quick link of the Extension Toolbox. There is a separate page for each material tested.

This is where you will find publications and detailed information about obtaining samples, submitting samples, and interpreting results.

Note: The pages are designed with the producer in mind.

[Program Contacts](#)

We provide scientific testing services to help Kentuckians maintain healthy crops by providing laboratory reports of soils, plants, irrigation water, soilless media and animal waste with subsequent fertilizer and lime recommendations.

Extension Toolbox <https://www.rs.uky.edu/soil/extension.php>

KERS SOIL TESTING

KERS Soil Testing is where you can find training materials for using KERS Soil Testing.

<https://www.rs.uky.edu/soil/programs/KERSSoilTesting.php>

RESOURCES

Resources is where you will find cheat sheets and the form to order supplies.

<https://www.rs.uky.edu/soil/resources.php>
